

Are you a student who wants to make a real difference?

Being a part-time care assistant offers you flexible working hours to fit with studying and transferable skills that look good on your CV

and you can earn a bonus up to £500

Working in a caring role is about so much more than helping people with their daily routines.

You can make a real difference to the people you support by being 'proud to care' through practical help, conversation, listening, empathy and support.

Proud to Care

Do you have what it takes and want to consider the options available?

We have launched a scheme encouraging students to work with our Domiciliary Care providers where you can make a real impact on our service providers' lives. In addition, we are offering an incentive award of £500 after successfully completing 250 worked hours in care in your first year of employment.

We will link you with local providers looking for care assistants across Bristol, North Somerset and South Gloucestershire who will employ you, pay for your pre-employment checks and train you to qualify for the Care Certificate.

How to apply

Contact the provider(s) using the email addresses below and include the words '**Student Recruitment Campaign**'. Alternatively, apply online and include the words in your application to ensure you will be eligible for the bonus.
